Principal: Louise Anaru

Friday 8th May, 2020

Kia ora koutou

Yesterday, the Prime Minister announced the guidelines for Alert Level 2. **We are currently under Level 3 and school is only open for students who can not remain at home.**

Under Alert Level 2, school will return to normal, with extra health control measures to prevent the spread of disease and to support contact tracing.

As Principal, I can assure you that Flaxmere College under Alert Level 2 will be safe for your child and I will encourage all students to return. We will follow the Alert Level 2 guidelines which include promoting good hygiene practices and regular cleaning of the school.

Under Alert Level 2, we advise any students and staff to stay at home if they are sick, and we will send anyone home immediately if they show any symptoms.

On Monday, the Prime Minister is announcing when New Zealand is moving to Alert Level 2. When the date for Alert Level 2 is announced, we will advise whānau when school will start for their students. Staff are looking forward to returning and seeing their students.

If you have any questions, or have a child who might be vulnerable to serious illness, please contact me.

We will be in touch again soon to update you on our plans.

Ngā mihi

Jim Hay-Mackenzie
