IMPORTANT: PLEASE ENCLOSE A COPY OF YOUR SON'S/DAUGHTER'S BIRTH CERTIFICATE WITH THIS APPLICATION

FLAXMERE COLLEGE RESPONSIBLE USE AGREEMENT: STUDENTS

When using information & communications technologies (ICT) at Flaxmere College I will always be a good digital citizen. This means that I;

- Will be a confident and capable user of ICT.
- I know what I do and do not understand about the technologies that I use. I will get help where I need it.
- Will use ICT for learning as well as other activities.
- I understand that technology can help me to learn. I also know it can also be used to talk to people, to buy and sell things and to have my opinion heard. I know when and where it is OK to do each one.
- Will think carefully about whether the information I see online is true.
- I know that it is easy to put information online. This means that what I see is not always right. I will always check to make sure information is real before I use it.
- Will be able to speak the language of digital technologies.
- When people talk online the things they say can be quite different from a conversation they might have if they were sitting next to each other. I know that I must try to understand what people are saying before I react to them. If I am not sure, I can ask them or someone else to explain.
- Understand that I may experience problems when I use technology but that I will learn to deal with them.
- I understand that there will be times when technology may not work as I expected it to, or that people may be mean or unkind to me online. When these things happen, I know that there are ways I can deal with it. I also know there are people I can go to, to get help if I don't know what to do next.
- Will always use ICT to communicate with others in positive, meaningful ways.
- I will always talk politely and with respect to people online. I know that it is possible to bully or hurt people with what I say and do on the internet. I will think about the effect that my actions have on other people.
- Will be honest and fair in all of my actions using ICT.
- I will never do anything online that I know will hurt anyone. I will make sure what I do is not against the law. I will make sure that my actions don't break the rules of the websites that I use. When I am not sure about what I am doing I will ask for help.
- Will always respect people's privacy and freedom of speech online.
- I understand that some information is private. I will be careful when using full names, birthdays, addresses and photos of other people and of my own. I also know that I will not always agree with what people say online but that does not mean that I can stop them or use it as an excuse to be unkind to them.
- Will help other to become a better digital citizen.
- Being a good digital citizen is something that we all have to work at. If I know that my friends are having problems online, I will try to help them. If I see that someone is being unfairly treated online then I will speak up rather than just watch it happen.

Student Declaration

I understand that these guidelines for responsible use are to be followed when using any technology whilst at school or whilst on any school activity. I am aware that this may include the use of a device that the school does not own.

I understand that if I breach this responsible use agreement, the issue will be dealt through the Positive Behaviour for Learning process.

Birth Certificate Sighted:

Passport Sighted:

Address and phone number details are collected at the time of enrolment and during the student's time at school so that the school can contact the parent or student as necessary. These contact details may also be passed on to the Ministry of Education and the Ministry of Social Development (MSD). This is so young people who may have difficulty finding future employment, training or further education can be identified and offered support by organisations contracted by MSD to help re-engage young people in education or training when they leave school.

School Proverb:

“Tungia te ururua kia tupu, whakaritorito te tupu o te harakeke.

Relinquish whatever hinders progress, to ensure success.”
